- 35 information to board. He will work on the
- 36 4. Strategic Planning Committee – no report
- 37 5. Legislative Committee - Earl gave a brief update of the latest legislative information.
- 38 6. Workshop & Conference Committee – Eric discussed the meeting we had at the hotel
- 39 and that the exhibitor brochure was almost ready to be sent out. Eric and Jenny had a
- 40 meeting to plan speakers and do conference timeline. The office is working with
- 41 GOHSEP to schedule pre conference meeting.
- 42

49 Alan welcomed everyone to the meeting and welcomed the new board members to the
50 board.

51

52 Alan conducted an ice breaker game. The group broke up into four smaller groups and
53 everyone answered four questions about themselves. The information was then read to
54 the entire group by a representative from each of the four breakout groups.

55

56 Jennifer then conducted a game with prizes that were discovered in storage when summer
57 cleaning the office.

58

59 Dee presented a strategic planning update from the 2016 strategic planning meeting.
60 Anthony Moran discussed the size of the board and the role of the board moving forward.
61 In 2016 the board created new LEPA mission statement, with that new statement was
62 there now opportunities to reduce the board in size, what would the right number be?
63 Maybe moving forward we look at having district representatives. That was one
64 suggestion that the committees will look at.
65 It was decided that the board also needs to look at the number of board members that turn
66 over every year.

67

68 The 2018 conference was discussed and the board discussed possible topics.

69

70 Possible sessions would involve the following topics.

71

- 72 • Analysis of the Police Shootings in Baton Rouge in 2016
- 73 • Response to the Flood of South LA in 2016
 - 74 ○ Handling Volunteers, i.e. Cajun Navy
- 75 • DOD or DHS on the Paris/London Terror Attacks
- 76 • Non- Floating Crude Oil Characteristics and Response
- 77 • Topics of interest by the following groups: (Duvall Arthur to handle this outreach)
 - 78 ○ NENA/911 Operators
 - 79 ○ Louisiana Fire Chiefs Association
 - 80 ○ Louisiana Sheriffs Association
 - 81 ○ Fusion Liaison Officers
 - 82 ○ Etc.
- 83 • Active Shooter – Schools & Businesses
- 84 • Unmanned Aerial Systems/Drones

85

86 Group preferred to opt to offer dual topic tracks – i.e. option to split the group into an A
87 & B Session with speakers possibly doubling up to handle different time slots and avoid
88 selection conflict.

89

90 Alan discussed the full scale Hazmat training that will be held in conjunction with the
91 conference in Baton Rouge and he will work with Joey to set up that event. Entertech will
92 be handling the event and paid for by Shell.

93

94 Group took a break for lunch.

95

96

97 After lunch Alan discussed the committees and their important rolls moving forward.
98 Membership – Ken Grahm, Skip Breeden, Anthony Moran , Sam Colon and Vicki Travis
99 LEM - Amy Dawson and Kade Rogers
100 By-Laws – John Thomas, Terry Guidry and Jim Polk

102 Legislative – Earl Eues, Gene Dunnegan, Dawson Primes and Terry Guidry
103 Workshop – Eric Deroche, Shane Stuntz, Jerry Monier, Francis Hymel, Skip Breeden

106 Duval Arthur will be responsible contact entities and see what training they would like to
107 have at the conference. He will also contact all possible organizations to get LEPA
108 working together moving forward.
109 Vicki will research and contact all of the state economic development coordinators for
110 the state. Each parish should have a coordinator.
